30-P Campaign Finance Disclosure Report filed 10 days late

Dear Sir or Madam:

This letter is to request a waiver or decrease in the \$600 late fee assessment referenced above. I take full responsibility, but I was dealing with COVID issues at the Minden City Court, at my personal law firm, and at the parish library where my wife is employed, and was distracted and missed this deadline. My wife and I both tested positive in October for COVID and were sick and quarantined for several weeks. My father, who is my law partner, and my mother both also tested positive for COVID in October and were sick for several weeks.

My income has been substantially impacted by COVID as have so many others. I would appreciate your considering either waiving or reducing the late fee assessment against me. With best regards, I am

Very truly yours,
